Number of Federal Cases: 321

Last Updated: March 18, 2021

Number of Cases by State of Residence

Age at Time of Arrest

Average Age: 39

Social Media Used As Evidence

Note: The data depicted were collected from federal cases only. A collection of individuals charged in the District of Columbia is available on the Program on Extremism’s website, but data were not gathered from those cases due to inconsistencies in available documents and reporting. This infographic is updated periodically and may not reflect the most up-to-date numbers on The Program on Extremism’s website. State of Residence was unknown for 1 individual and ages could not be verified for 53 individuals.
