Note: The data depicted were collected from federal cases only. A collection of individuals charged in the District of Columbia is available on the Program on Extremism's website, but data were not gathered from these cases due to inconsistencies in available documents and reporting. This infographic is updated periodically and may not reflect the most up-to-date numbers on the Program on Extremism's website. The county of residence of 6 individuals charged federally could not be verified. Population figures from U.S. Census Bureau, 2018.
