Re: United States v. Alexander Ciccolo, a.k.a. Ali Al Amriki  
Criminal No. 15-CR-30018-MGM

Dear Attorney Hoose:

Enclosed please find documents numbered 1173-1189 and a table of contents organizing all discovery produced to date. I have also e-mailed you a searchable version of the table of contents. The documents enclosed include mail sent to and from Mr. Ciccolo while incarcerated, an interview report, and disks containing files from computers seized as a result of search warrants, which are duplicates of a disk previously produced and labeled with Bates number 1102 that did not function properly. Please do not hesitate to call me if you have any questions.

Very truly yours,

CARMEN M. ORTIZ  
United States Attorney
