STATEMENT OF FACTS

Your affiant, [redacted] is a Special Agent with the Federal Bureau of Investigation (FBI). Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent, I am authorized by law or by a Government agency to engage in or supervise the prevention, detention, investigation, or prosecution of a violation of Federal criminal laws.

U.S. Capitol Police secure the U.S. Capitol 24 hours a day. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification are allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m., members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage that appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations
of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

Following the January 6, 2021, attack on the Capitol, your affiant reviewed multiple videos derived from open-source databases, as well as both Metropolitan Police Department (MPD) and U.S. Capitol Police holdings. During that review, your affiant observed a subject committing assaults on MPD and U.S. Capitol Police officers on January 6, 2021, between approximately 2:43 p.m. and 3:30 p.m., in and around the Lower West Terrace of the Capitol building. The subject, later identified as FEDERICO GUILLERMO KLEIN (KLEIN), is a white male with brown hair and distinctive teeth, who was wearing a red “Make America Great Again” (MAGA) hat, a distinctive green jacket, dark dress pants, and a blue dress shirt. KLEIN would later change into a red United States Marine Corps (USMC) hat. In the above-mentioned video footage, your affiant observed KLEIN resisting officers, attempting to take items from officers, and assaulting officers with a riot shield.

On approximately January 20, 2021, KLEIN was included in a “Seeking Information” list and given the moniker “136-AFO.” The FBI posted that list to its website and to social media in order to garner public assistance to identify the individual.
The next day, on January 21, 2021, an anonymous individual (hereinafter “Tipster 1”) submitted a tip through the FBI Office of Public Affairs online portal and stated that 136-AFO resembled a man the tipster previously met named “Freddie Klein.” Tipster 1 indicated that when they met KLEIN on an unspecified date, KLEIN stated he lived in the Washington, D.C. area. Tipster 1 provided the Facebook account for KLEIN as www.facebook.com/freddieklein78. Upon review of the account, your affiant confirmed that the Facebook account was associated with KLEIN based, in part, on the photos posted to the account that bore a strong resemblance to 136-AFO. Your affiant also would note that KLEIN was born in 1978.

On January 25, 2021, a known individual (hereinafter “Witness 1”) submitted an online tip to the NTOC and indicated that 136-AFO bore a strong resemblance to a person it knew as “Freddie Klein.” Witness 1 described how they knew KLEIN and explained that they had met KLEIN on two occasions, during which they had brief small talk with KLEIN. Witness 1 provided law enforcement with the same Facebook account for KLEIN as Tipster 1. Witness 1 also provided KLEIN’s LinkedIn account as www.linkedin.com/in/freddie-klein-03b71812. Upon review of the accounts, your affiant confirmed that both accounts were associated with KLEIN based on the photos that bore a strong resemblance to 136-AFO, and information on the accounts that corresponded with known information about KLEIN.

Based upon the information provided by Tipster 1 and Witness 1, your affiant determined that KLEIN had been an employee of the United States Department of State (DOS) on January 6, 2021. KLEIN resigned his position on January 19, 2021. You affiant also learned that, on January 6, 2021, KLEIN possessed a Top Secret security clearance that had been renewed in 2019.

On February 10, 2021, your affiant and a DOS Diplomatic Security Special Agent interviewed an identified individual (hereinafter “Witness 2”), a former colleague of KLEIN’s at
DOS. Witness 2 and KLEIN worked together from approximately February 2019 through January 2021. KLEIN was a Schedule-C political appointee who began working at DOS in 2017 in the office of Brazilian and Southern Cone Affairs. Witness 2 worked with KLEIN in-person multiple times per week throughout the time they worked together. Witness 2 reported that they had no animosity towards KLEIN. Witness 2 last saw KLEIN on January 19, 2021; Witness 2 recalled the specific date because it was prior to President Biden’s inauguration and KLEIN’s resignation from DOS. Your affiant showed Witness 2 several still photographs from a video posted on YouTube that depicted some of the events at the United States Capitol on January 6, 2021. Witness 2 positively identified KLEIN in the photos.

According to records obtained through a search warrant served on AT&T, in and around the time of the incident on January 6, 2021, the cellphone associated with number (***) ***-6105, was identified as having utilized a cell site consistent with providing service to a geographic area that includes the interior of the United States Capitol building. A check of law enforcement databases revealed that the number (***) ***-6105 is associated with KELIN.

To date, the FBI has received eight (8) tips about 136-AFO. Two of those tips were about KLEIN, as mentioned above. In addition, four (4) anonymous individuals submitted information regarding 136-AFO to the FBI National Threat Operations Center (NTOC), stating that they thought 136-AFO could be various individuals they knew that were not KLEIN. One such tip identified 136-AFO as possibly an individual who lived in St. Louis, but stated they had not seen the person in 10-12 years and was it was only a 25-30% possibility that 136-AFO was the person the tipster knew. Another tip stated 136-AFO “could be” a person in Ohio that they had not seen in approximately 3 years; this tipster stated that they were not sure of the identification, but wanted to report the information “just in case.” Another tipster reported that 136-AFO “might be” a person from Minnesota. An additional person also reported that 136-AFO “looks just like” a person it knew from the Chicago, Illinois area; the same tipster also reported that 136-AFO could be the son of the person in the Chicago area. In addition to the anonymous tips, one identified individual stated that they recognized 136-AFO as a reality-television personality who they had seen on different television shows. Your affiant reviewed known photographs of all of the individuals reported in the tips, compared those photographs to 136-AFO, and due to differences in physical characteristics concluded that the person in question was not 136-AFO.

Another tip came from an identified individual (hereinafter “Witness 3”), who lives in the Washington, D.C. area, and who identified 136-AFO as their neighbor (hereinafter “Person 1”). Witness 3 reported that Person 1 bore a “striking resemblance” to the individual depicted in 136-AFO and had exhibited extreme behavior to include displaying inflammatory rhetoric on their vehicle about President Biden, Vice President Harris, the Black Lives Matter movement, and the “ANTIFA” movement. Witness 3 also reported that Person 1’s vehicle was not parked at his house on January 6, 2021, although Witness 3 did not know if Person 1 participated in the riots. Your affiant reviewed known photographs of Person 1, compared those photographs to 136-AFO, and due to differences in physical characteristics concluded that Person 1 was not 136-AFO. In addition, your affiant queried law enforcement databases and discovered a cell phone number associated with Person 1. According to records obtained through a search warrant served on AT&T, in and around the time of the incident on January 6, 2021, the cellphone associated with Person 1 was not identified as having utilized a cell site consistent with providing service to a geographic area that includes the United States Capitol building.
Your affiant is not aware of any other information provided to the FBI about KLEIN or 136-AFO at this time. However, the FBI is receiving tips from throughout the country on a daily basis about individuals who may have participated in the events at the Capitol on January 6, 2021.

During the investigation, your affiant reviewed surveillance footage of the tunnel that led to the Lower West Terrace Capitol building entrance. That surveillance video captured KLEIN entering the tunnel at 2:43 p.m. At that time, a group of U.S. Capitol Police and MPD officers had formed a police line at that entrance to the Capitol to prevent the mob from entering the building through that entrance. The screenshot below shows KLEIN entering the mouth of the tunnel with other individuals in the mob; he is facing the direction of the police line, which is immediately in front of the doors to the Capitol building.

As evidenced by the Body Worn Camera (BWC) footage of various members of MPD, KLEIN quickly pushed his way to the front-left side of the crowd and to the doorway to the Capitol building, where he physically and verbally engaged with the officers holding the line, thereby affecting their ability to disperse the crowd.
KLEIN was specifically captured on the Body Worn Camera (BWC) of a known MPD Sergeant (hereinafter “Sergeant 1”), at approximately 2:55:24 p.m., reaching out and seemingly attempting to take something from the vicinity of the officers protecting the doorway, as can be seen in the screenshot below:

KLEIN was also captured on the BWC of a second MPD Sergeant (hereinafter “Sergeant 2”) at approximately 3:00:20 p.m. At that time, the mob was attempting to push through the first of two sets of doors to the U.S. Capitol building. Sergeant 2 verbally issued a command to the crowd to “Back up.” Sergeant 2 repeated that command six (6) times. KLEIN did not back up. At 3:00:29 p.m., Sergeant 2 issued the command “Let it go now, back up.” Again, KLEIN did not back up. Instead, at 3:00:37 p.m., he violently shoved a riot shield that apparently had been taken from an officer, towards the officers trying to stop the mob from gaining access to the building. In doing so, KLEIN pushed the riot shield in between the doors to the Capitol, preventing officers from closing the doors.
For several minutes, KLEIN continued his attempts to breach the police line and enter the Capitol building.

Fifteen minutes after KLEIN was captured by Sergeant 2's BWC using the shield as a wedge in the door to the Capitol, the BWC of a different MPD officer (hereinafter "Officer 1"), captured KLEIN still fighting the officers in the tunnel of the Lower West Terrace of the Capitol building. At 3:15:52 p.m., KLEIN, again in possession of either an MPD or an U.S. Capitol Police riot shield, violently shoved the shield into an officer’s body in an attempt to breach the police line.
Ultimately, Sergeant 2 deployed a chemical irritant spray that forced KLEIN to move to a new area.

In addition to the videos discussed above, multiple open-source videos captured KLEIN inciting the mob and trying to break through the police line in the Lower West Terrace tunnel and into the Capitol building. For example, in one open-source video posted on YouTube, while a mob of people assaulted and struggled with law enforcement, KLEIN was captured at approximately minute 10:37 of the video calling back to the crowd behind him, “We need fresh people, we need fresh people” multiple times. See https://www.youtube.com/watch?v=qc0U755-uiM&feature=youtu.be (last visited Feb. 16, 2021). Additional members of the mob arrived shortly thereafter and continued efforts to break through the police line. KLEIN repeated this call for “fresh people” less than a minute later, at approximately minute 11:18 on the video. As the mob in the tunnel grew, the crowd began to push together against the officers to overrun the police line. The top of KLEIN’s body was captured in that video as depicted below:
Later in the same video, at approximately minute 24:29, KLEIN was captured actively resisting and pushing against additional unidentified MPD and/or U.S. Capitol Police officers, hindering their ability to disperse the crowd in the tunnel. See https://www.youtube.com/watch?v=qe0U755-uisM&feature=youtu.be (last visited Feb. 16, 2021).

Moreover, at approximately minute 27:20, KLEIN was captured aggressively struggling with and pushing against the riot shields of two known MPD officers (hereinafter “Officer 2” and “Officer 3”). See https://www.youtube.com/watch?v=qe0U755-uisM&feature=youtu.be (last visited Feb. 16, 2021). As KLEIN did so, Officers 2 and 3 were fighting to maintain a police line. U.S. Capitol Police officers were interspersed in the crowd and in direct contact with Officers 2 and 3 at that time.
At approximately 3:21 p.m., MPD Officers pushed the rioters, including KLEIN, out of the Lower West Terrance tunnel. At the mouth of the tunnel was a set of stairs that led to the Lower West Terrace. A second open-source YouTube video, at minute 56:14 of the video, showed that during the struggle with the officers, KLEIN appeared to have lost his red MAGA hat. See https://www.youtube.com/watch?v=INFcpZdkh0&feature=emb_logo&ab_channel=%E9%8B%B0%E1%B4%8F%CA%80%E1%B4%8D%E1%B4%87%CA%80%E1%B4%A1%E1%B4%80%C9%A2%C9%AA%E1%B4%87 (last visited Feb. 23, 2021).
Over the course of several seconds, KLEIN was captured looking around at the ground, consistent with looking for an item on the ground. Thereafter, KLEIN placed a red hat on his head. See https://www.youtube.com/watch?v=iNFcdpZdkh0&feature=emb_logo&ab_channel=%E9%80%B0%E1%84%9F%CA%80%E1%84%9D%E1%84%87%CA%80%E1%84%A1%E1%84%80%CA%9A%2C9%AA%E1%84%87 (last visited Feb. 23, 2021).
The hat, later determined to be a red USMC hat, apparently did not fit, however, and footage captured KLEIN adjusting the red hat, and continuing to wear it. See https://www.youtube.com/watch?v=iNFcdpZdkh0&feature=emb_logo&ab_channel=%EA%9C%B0%E1%B4%8F%CA%80%E1%B4%8D%E1%B4%87%CA%80%E1%B4%A1%E1%B4%80%C9%A2%C9%AA%E1%B4%87 (last visited Feb. 23, 2021).

A side-by-side comparison of photos corroborates the video that KLEIN switched red hats. In addition, a tear on the shoulder of KLEIN’s jacket, visible in both the above screenshot and the below photo, confirms that it is the same individual.
At about the same time that officers pushed rioters out of the Lower West Terrace tunnel, officers discovered that a known MPD Officer (hereinafter “Officer 4”) had been dragged into the crowd, which was. MPD Officers rushed into the crowd to attempt a recovery as the officers verbally announced, “Officer down. Move, move, get out of the way.” As officers move through the crowd to reach Officer 4 another known MPD Officer (hereinafter “Officer 5”) encountered KLEIN. The encounter was captured by Officer 5’s BWC. As Officer 5 went to retrieve Officer 4, he stated, “Move, move!” KLEIN remarked, “No Way.” Another officer stated, “Let me get my friend.”

Based on an open-source video posted to YouTube, as Officer 4 made his way back up the steps towards the tunnel, at approximately minute 1:24:30 of the video, KLEIN appeared to help
Officer 4 towards the tunnel. See https://www.youtube.com/watch?v=0zyjCvDN4tg&t=3741s (last visited Feb. 18, 2021).

KLEIN was also captured on Officer 5’s BWC as shown below:
