## IMPRISONMENT

As to Count 1 of the indictment, it is adjudged that the defendant is committed to the custody of the Bureau of Prisons for a term of 120 months. I recommend that he be incarcerated within 500 miles of Wisconsin so that he can maintain a relationship with his parents.

I recommend that the defendant receive substance abuse counseling and mental health treatment and that the defendant be afforded prerelease placement in a residential reentry center with work release privileges. The report of Dr. Spierer (dkt. 78-1) shall be added to the Presentence Report in order to assist the Bureau of Prisons in defendant's programming while incarcerated.

## **SUPERVISED RELEASE**

The term of imprisonment is to be followed by a life time term of supervised release. In light of the nature of the offense and the defendant's personal history, I adopt conditions 1, 2, 4 through 9, 12 through 15 and 18 as proposed and justified in the revised presentence report. The defendant's objection to the proposed conditions have been addressed and he waived reading of the conditions.

Although the instant offense is not drug related, the defendant has a history of drug use. The mandatory drug testing as set forth at 18 U.S.C. § 3583(d) is not waived. The defendant shall submit to one drug test within 15 days of his placement on supervised release and additional urine tests as deemed appropriate by the supervising probation officer.

If, when the defendant is released from confinement to begin his term of supervised release, either the defendant or the supervising probation officer believes that any of the conditions imposed today are no longer appropriate, either one may petition the Court for review.

---

Defendant is to abide by the statutory mandatory conditions.

### **Statutory Mandatory Conditions**

Defendant shall report to the probation office in the district to which defendant is released within 72 hours of release from the custody of the Bureau of Prisons.

Defendant shall not commit another federal, state, or local crime.

Defendant shall not illegally possess a controlled substance.

If defendant has been convicted of a felony, defendant shall not possess a firearm, destructive device, or other dangerous weapon while on supervised release.

---

Defendant shall cooperate with the collection of DNA by the U.S. Justice Department and/or the U.S. Probation and Pretrial Services Office as required by Public Law 108-405.

---

If this judgment imposes a fine or a restitution obligation, it shall be a condition of supervised release that defendant pay any such fine or restitution that remains unpaid at the commencement of the term of supervised release in accordance with the Schedule of Payments set forth in the Financial Penalties sheet of this judgment.

---

Defendant shall comply with the standard and special conditions that have been adopted by this court.

- 12) Submit person, property, residence, papers, vehicle, computers [as defined in 18 U.S.C. § 1030(e)(1), or other electronic communications, data storage device, or media], or office to a search conducted by a U.S. probation officer at a reasonable time and manner, whenever the probation officer has reasonable suspicion of contraband or of the violation of a condition of release relating to substance abuse or illegal activities; failure to submit to a search may be a ground for revocation; defendant shall warn any other residents that the premises defendant is occupying may be subject to searches pursuant to this condition;
- 13) Participate in mental health referral, assessment and treatment as approved by the supervising U.S. probation officer and comply with all rules, regulations and recommendations of the mental health agency or its representative to the extent approved by the supervising U.S. probation officer. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it.

~~16) Not work in any occupation, business or profession, or participate in any volunteer activity where defendant has access to children under the age of 18 without the prior approval of the supervising U.S. probation officer;~~

~~17) Not meet or spend time with any person under the age of 18 or have verbal, written, telephonic or electronic communication with any such person, except with the express permission of the minor's parent or legal guardian and the supervising U.S. probation officer. This provision does not include persons under the age of 18, such as waiters, cashiers, ticket vendors, etc., with whom defendant must deal in order to obtain ordinary and usual commercial services;~~

18) Defendant shall provide the supervising U.S. probation officer advance notification of any devices associated with or falling within the general category of information technology (IT) that produce, manipulate, store, communicate or disseminate information used by defendant. This includes external and portable hard drives. The probation office is authorized to install applications to monitor any such devices owned or operated by defendant.
