DEPUTY CLERK

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF KANSAS

UNITED STATES OF AMERICA

Plaintiff,

v.

Case No. 19-40091-DDC

JARRETT WILLIAM SMITH

Defendant.

PLEA AGREEMENT

The United States of America, by and through Anthony W. Mattivi, Assistant United States Attorney for the District of Kansas, and Jarrett William Smith, the defendant, personally and by and through his counsel, Rich Federico and Kathryn Stevenson, hereby enter into the following Plea Agreement pursuant to Rule 11 of the Federal Rules of Criminal Procedure:

1. **Defendant's Guilty Plea.** The defendant agrees to plead guilty to Counts 1 and 2 of the Indictment, which charge violations of 18 U.S.C. § 842(p), that is, distributing information related to explosives, destructive devices, and weapons of mass destruction. By entering into this Plea Agreement, the defendant admits to knowingly committing the offenses and to being guilty of the offenses. The defendant understands that the maximum sentence which may be imposed as to each count of the Indictment to which he has agreed to plead guilty is not more than 20 years of imprisonment, a \$250,000 fine, not more than five years of supervised release, and a \$100.00 mandatory special assessment.

2. **Factual Basis for the Guilty Plea.** The parties agree the facts constituting the offense to which the defendant is pleading guilty are as follows:

The defendant joined the U.S. Army on June 12, 2017. Following his initial entry training at Fort Benning, Georgia, the defendant was stationed beginning

November 27, 2017, at Fort Bliss, Texas. The defendant served the U.S. Army as an infantry soldier, trained in combat and tactical operations. He was transferred to Fort Riley, Kansas on July 8, 2019.

On March 27, 2019, the FBI received information regarding the Facebook account belonging to the defendant, Jarrett William Smith. The information received by the FBI demonstrated that Smith had disseminated guidance to others on how to construct Improvised Explosive Devices (IEDs) and spoke to others via social media about his desire to travel to the country of Ukraine to fight with a violent, far-right paramilitary group.

On September 20, 2019, from Fort Riley in the District of Kansas, the defendant engaged with an FBI Undercover Employee (UCE) on a certain social media platform, using the moniker "Anti-Kosmik 2182." During these online discussions, the defendant provided specific instructions for constructing an explosive device (Count 1). Later in that same conversation, Smith provided the UCE with a recipe for creating improvised napalm (Count 2). The defendant provided both the instructions for the IED and the napalm recipe with the intent that the information be used for, and in furtherance of, a federal crime of violence, specifically the attempted use of a weapon of mass destruction.

3. **Application of the Sentencing Guidelines.** The parties request that the Court apply the United States Sentencing Guidelines (Guidelines) to calculate the applicable sentence and impose a sentence consistent with the Guidelines. The defendant agrees to waive all constitutional challenges to the validity of the Guidelines. The defendant understands and acknowledges that the Court will find, by a preponderance of the evidence, the facts used to determine the offense level, and in making its findings, that the Court may consider any reliable evidence, including hearsay. Nothing in this section prevents the parties from filing objections to the Presentence Report prepared by the United States Probation Office, or from arguing the application of specific sections of the Guidelines. The parties agree that the Court will determine the final Guideline range. The parties understand this Plea Agreement binds the parties only and does not bind the Court. The parties agree that, under Guidelines §§ 2K1.3(a)(3) and 2K1.3(b)(3), the applicable base offense level is 22. The parties further agree that Guidelines §§ 3A1.2 and 3A1.4 do not apply in this case.

4. **Relevant Conduct.** The parties have agreed to the application of the Guidelines. Therefore, the defendant agrees that the conduct charged in any dismissed counts, as well as all other uncharged related criminal activity, will be considered as relevant conduct for purposes of calculating the offense level for the counts of conviction, in accordance with United States Sentencing Guidelines (U.S.S.G.) § 1B1.3.

5. **Government's Agreements.** In return for the defendant's plea of guilty as set forth herein, the United States Attorney for the District of Kansas agrees:

- (a) to dismiss the remaining count (Count 3) of the Indictment at the time of sentencing;
- (b) to not file any additional charges against the defendant arising out of this investigation;
- (c) to recommend (jointly with the defendant) a three-year term of supervised release and no fine;
- (d) to allow the defendant to reserve the right to request a downward departure and/or a variance, in which case, the government agrees to recommend a sentence no higher than the high end of the Guideline range; and
- (e) to recommend the defendant receive a two (2) level reduction in the applicable offense level under U.S.S.G. § 3E1.1 for acceptance of responsibility. In addition, if his offense level is 16 or greater, prior to any reduction for acceptance of responsibility, and the Court finds he qualifies for a two-level reduction, the United States will move at the time of sentencing for an additional one-level reduction for acceptance of responsibility because he timely notified the government of his intention to enter a plea of guilty.

The United States' obligations under this Paragraph are contingent upon the defendant continuing to manifest acceptance of responsibility. If the defendant denies or gives conflicting statements as to his involvement, falsely denies or frivolously contests relevant conduct the Court determines to be true, willfully obstructs or impedes the administration of justice, as defined by U.S.S.G. § 3C1.1 (or willfully attempts to do so), or has engaged in additional criminal conduct,

the United States reserves the right to petition the Court for a hearing to determine if he has breached this Plea Agreement.

If the Court finds by a preponderance of the evidence that the defendant (1) has breached or violated this Plea Agreement; (2) has willfully obstructed or impeded the administration of justice, as defined by U.S.S.G. § 3C1.1 (or willfully attempted to do so); (3) has engaged in additional criminal conduct; or (4) has otherwise failed to adhere to this Plea Agreement's terms, the United States shall not be bound by this Paragraph, and may pursue any additional charges arising from the criminal activity under investigation, as well as any charges for any perjury, false statement, or obstruction of justice that may have occurred.

If the Court finds the defendant has violated this Plea Agreement, he understands and agrees that all statements he made, any testimony he gave before a grand jury or any tribunal, or any leads from such statements or testimony, shall be admissible against him in any and all criminal proceedings. The defendant waives any rights which might be asserted under the United States Constitution, any statute, Federal Rule of Criminal Procedure 11(f), Federal Rule of Evidence 410, or any other federal rule that pertains to the admissibility of any statements he made subsequent to this Plea Agreement.

6. **Sentence to be Determined by the Court.** The defendant understands that the sentence to be imposed will be determined solely by the United States District Judge. The United States cannot and has not made any promise or representation as to what sentence he will receive.

7. **Withdrawal of Plea Not Permitted.** The defendant understands that if the Court accepts this Plea Agreement, but imposes a sentence with which he does not agree, he will not be permitted to withdraw his guilty plea.

8. **Payment of Special Assessment.** The defendant understands that a mandatory special assessment of \$100.00 per count of conviction will be entered against him at the time of

sentencing. The defendant agrees to deliver to the Clerk of the United States District Court payment in the appropriate amount no later than the day of sentencing. The defendant has the burden of establishing an inability to pay the required special assessment. The parties acknowledge that if the Court finds the defendant is without resources to pay the special assessment at the time of sentencing, the Court may allow payment during his period of incarceration.

9. **Waiver of Appeal and Collateral Attack.** The defendant knowingly and voluntarily waives any right to appeal or collaterally attack any matter in connection with this prosecution, his conviction, or the components of the sentence to be imposed herein, including the length and conditions of supervised release, as well as any sentence imposed upon a revocation of supervised release. The defendant is aware that 18 U.S.C. § 3742 affords him the right to appeal the conviction and sentence imposed. The defendant also waives any right to challenge his sentence, or the manner in which it was determined, or otherwise attempt to modify or change his sentence, in any collateral attack, including, but not limited to, a motion brought under 28 U.S.C. § 2255 (except as limited by *United States v. Cockerham*, 237 F.3d 1179, 1187 (10th Cir. 2001)), or a motion brought under Federal Rule of Civil Procedure 60(b). In other words, the defendant waives the right to appeal the sentence imposed in this case, except to the extent, if any, the Court departs upwards from the sentencing Guideline range that the Court determines to be applicable. However, if the United States exercises its right to appeal the sentence imposed, as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may appeal the sentence received, as authorized by 18 U.S.C. § 3742(a). Notwithstanding the forgoing waivers, the parties understand that the defendant in no way waives any subsequent claims with regards to ineffective assistance of counsel or prosecutorial misconduct.

10. **FOIA and Privacy Act Waiver.** The defendant waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552. The defendant further waives any rights conferred under the Privacy Act of 1974, 5 U.S.C. § 552a, to prevent or object to the disclosure of records or materials pertaining to this case.

11. **Full Disclosure by United States.** The defendant understands the United States will provide to the Court and the United States Probation Office all information it deems relevant to determining the appropriate sentence in this case. This may include information concerning his background, character, and conduct, including the entirety of his criminal activities. The defendant understands these disclosures are not limited to the count to which he is pleading guilty. The United States may respond to comments he or his attorney makes, or to positions he or his attorney takes, and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this Plea Agreement. The defendant also has the right to provide information concerning the offense and to make recommendations to the Court and the United States Probation Office.

12. **Parties to the Agreement.** The defendant understands this Plea Agreement binds only him and the United States Attorney for the District of Kansas, and that it does not bind any other federal, state, or local prosecution authority.

13. **Voluntariness of Guilty Plea.** The defendant has had sufficient time to discuss this case, the evidence, and this Plea Agreement with his attorney and he is fully satisfied with the advice and representation his attorney provided. Further, the defendant acknowledges that he has read the Plea Agreement, understands it, and agrees it is true and accurate and not the result of any

threats, duress or coercion. The defendant further understands that this Plea Agreement supersedes any and all other agreements or negotiations between the parties, and unless subsequently supplemented in writing with the joint approval of the parties, this Plea Agreement embodies each and every term of the agreement between the parties. The defendant acknowledges that he is entering into this Plea Agreement and is pleading guilty because he is guilty. He further acknowledges that he is entering his guilty plea freely, voluntarily, and knowingly.
