Re: United States v. Emanuel Lutchman, 15-mj-4212

Dear Judge Payson,

Please accept this letter as a request to adjourn the March 11, 2016 status hearing in this case for 30 days.

I have received initial voluntary discovery from the government and have begun reviewing it. I also am expecting additional discovery from the government shortly. I need additional time to review this discovery with Mr. Lutchman so that he may make an informed decision on how to proceed. I have discussed this request with Mr. Lutchman and he consents to this request.

The defense would like to waive any speedy trial rights affected by this request and requests an ends of justice exclusion of time. I have spoken to AUSA Brett Harvey and he consents to this request. Thank you for your consideration of this matter.

Very truly yours,
