

STATEMENT OF FACTS

Your affiant, [REDACTED] is a Special Agent with the Federal Bureau of Investigation, assigned to the Cincinnati Division. I have been in this position since December 2020. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent, I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of violations of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which

appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

***Tips Providing Investigative Leads Regarding Timothy Hart's
Possible Involvement in Events of January 6, 2021***

Throughout March of 2021, FBI received multiple tips from at least four individuals regarding the person that FBI has subsequently identified as Timothy HART. The tips included a possible subject name, possible business associated with the subject, information regarding the subject living in Dayton, Ohio, identification of social media accounts associated with the subject, and a description of the clothing the subject wore on January 6, 2021. Based upon information and belief, the four witnesses who provided these investigative leads in March 2021 did not personally know HART.

One of the tipsters reported that HART filmed himself driving to Washington D.C., filmed the riots that took place, and posted videos on a YouTube channel using the account of "i70_". That tipster submitted the following images, labeled Image 1 and Image 2 respectively:

Another one of the tipsters advised that HART posted a video of himself driving from Ohio to Washington D.C. on YouTube at <https://youtu.be/WDAsgTjQgEM>.

Further Investigation Confirming Identification of Hart

Based on the tips that had been provided above, law enforcement took additional steps to identify HART. On May 24, 2021, FBI interviewed an individual ("Witness 1") who knows HART and is familiar with HART's appearance. Witness 1 was shown Images 3 and 4 by law

enforcement and Witness-1 identified Timothy HART in those images. Images 3 and 4 are provided below:

Your affiant reviewed Timothy HART's Bureau of Motor Vehicle records, including his driver's license photo, and compared the driver's license photo with Images 1 and 2 provided by one of the tipsters. The appearance of the individual in the above Image 1 is consistent with the appearance of Timothy HART based on comparisons of the image to his Bureau of Motor Vehicles driver's license photo.

Law enforcement has searched for additional information regarding the business associated with HART that was referenced by three of the tipsters. Records on the Ohio Secretary of State website reflect the following information: I70 PAINTBALL & AIRSOFT, LLC, Timothy Hart, 7750 Wildcat Road, Huber Heights, OH, 45424.

Through open source research, law enforcement located the YouTube account with the handle "i70_" (an apparent reference to HART's business). The YouTube account includes five videos posted between January 4 and January 6, 2021. The relevant videos can be summarized as follows: 1) a video of the Trump rally on January 6, 2021; 2) a video taken while walking to the Capitol; 3) a video that appears to be recorded from the top of a scaffolding showing the protestors pushing past Capitol Police on January 6; 4) a second video that appears to be recorded from the top of scaffolding showing the protestors pushing past Capitol Police on January 6; and 5) a video of HART captioned as "Headed to DC from Dayton Ohio to support President Trump because the election was tainted" recording himself driving to Washington D.C. in which he says he is going "to represent for Donald J. Trump."

Records from Google for the YouTube channel i70 reflect a subscriber date of birth that is HART's date of birth, and the associated Google Pay information is Timothy HART at 7750 Wildcat Rd, Huber Heights, OH with a phone number ending in -2185.¹

During the course of the investigation, law enforcement has identified additional images that appear to show HART on Capitol grounds and inside the Capitol Building (in the same clothing described above). An example is below, Image 5.

¹ The full number was provided in the Google records; however, only the last four digits are included here due to the public nature of the filing.

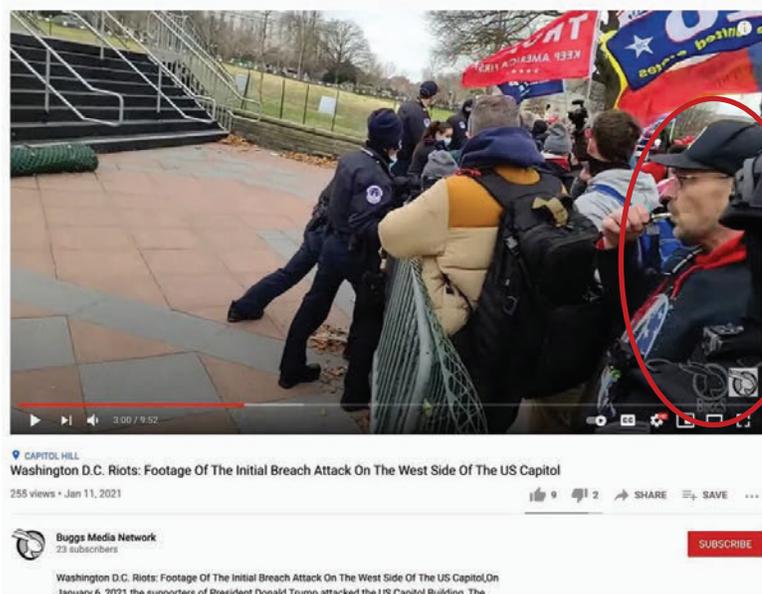

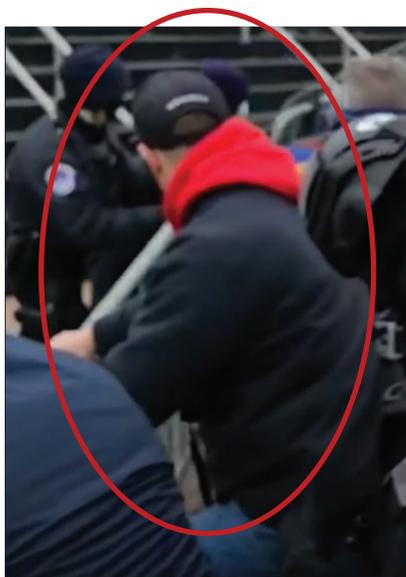

Additionally, a publicly available YouTube video posted by Buggs Media Network on January 11, 2021, appears to capture HART, along with many other individuals, engaging in disruptive or disorderly conduct by knocking down well-marked barriers manned by uniformed officers. The crowd, including HART, were able to overwhelm the officers and move toward the Capitol where the Electoral Vote would be counted. HART and others also entered restricted Capitol grounds. This activity took place at approximately 12:45 p.m. on January 6, 2021, as preparations for the proceedings described above were underway in the House and Senate, a large crowd gathered to the West of the U.S. Capitol around the Peace Monument, located in the Pennsylvania Avenue, NW, and 1st Street, NW, roundabout, that was commonly referred to as “Peace Circle” by U.S. Capitol Police Officers. The crowd then moved southeast to the threshold of the sidewalk that connects Peace Circle to the U.S. Capitol Building, commonly referred to as the “Pennsylvania Ave Walkway” by U.S. Capitol Police Officers. Metal barricades had been put in place by U.S. Capitol Police Officers. The metal barricades were intended to keep the public away from the Capitol building and the Congressional proceedings underway inside.

In the YouTube video posted by Buggs Media Network, it shows that the area was blocked off by a line of barricades that were manned by U.S. Capitol Police Officers. The U.S. Capitol Police Officers were wearing Capitol Police Uniforms bearing police insignia and were standing in the restricted area to protect it. The barricades were constructed of metal bike rack barriers, physically linked end to end, and reinforced with dark colored plastic mesh safety fencing affixed behind the metal bike racks. The fence line was clearly marked with large white “AREA CLOSED” signs affixed to the fencing with bold red lettering (screenshot showing HART and “AREA CLOSED” sign circled in red below in Image 6).

The individual was wearing a red hood with a black hat and sweatshirt with a “Q” on it, similar to other images taken of HART. Screenshots from the video are below, Image 7 and Image 8 (HART circled in red):

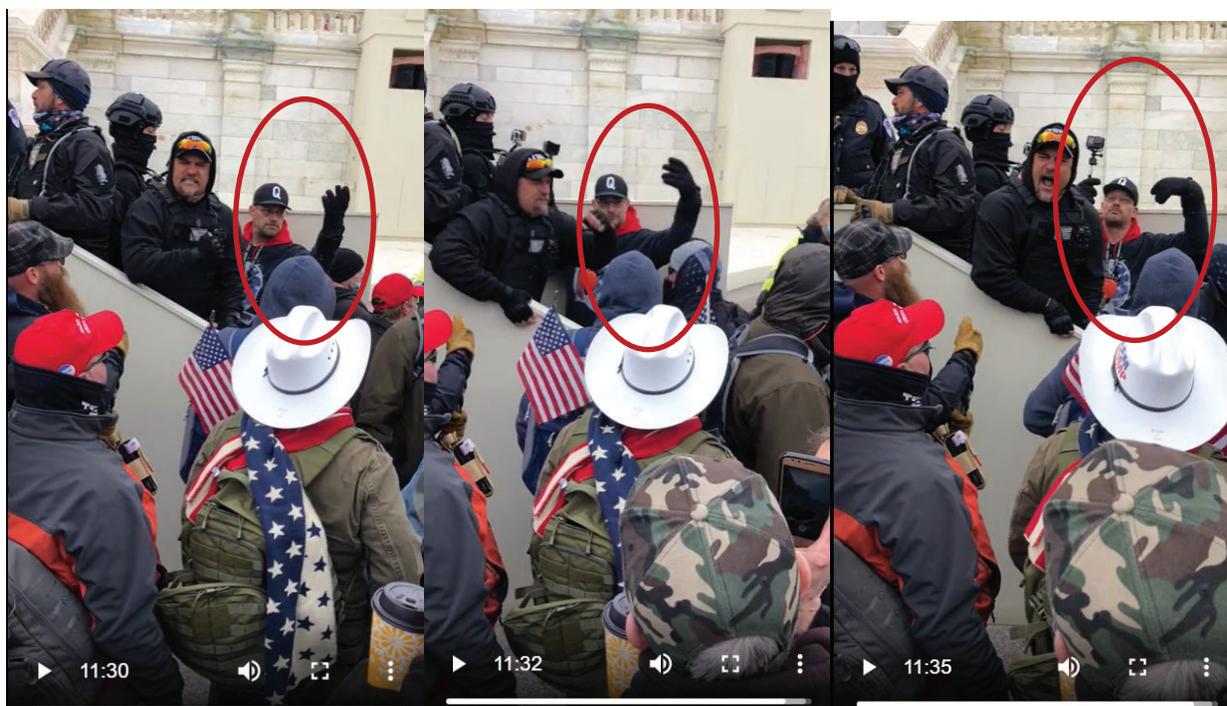

The video shows HART pushing the barricade and eventually going around it towards the Capitol. Below are a series of screenshots, Images 9, 10, and 11—showing the progression of HART helping to push the barricades until the crowd successfully pushed the barricades against the officers.

Another publicly available video posted on Twitter, available at https://d2hxnssq7ss7g.cloudfront.net/aRWTR7sk7i90_cvt.mp4, shows a large crowd walking towards the Capitol. The video shows HART in the crowd. Eventually, he walks up onto stairs, as seen in the screenshots below, Images 12 and 13:

In the video, the crowd chants and HART appears to be recording the events from his mobile device, while using a selfie stick. He also appears to be wearing a bright orange speaker around his neck. Eventually while a person standing in front of HART is yelling “WE ALREADY VOTED AND WHAT HAVE THEY DONE? THEY STOLE IT! WE WANT OUR FU**ING COUNTRY BACK. LET’S TAKE IT!” The man standing in front of HART goes on to yell “COME ON!” and “LET’S GO!” multiple times. While the person is yelling in front of him, HART begins to start gesturing towards the crowd as if he is encouraging them to come towards the Capitol by waving his arms. HART’s arm gestures can be seen in the below screenshots from the video, Images 14, 15, and 16.

HART eventually made his way into the Capitol. An Instagram video posted on an account called “brotunda” on or about January 6, 2021, appeared to show HART smoking in the U.S. Capitol Rotunda. It can be inferred that HART was smoking marijuana in the video due to the fact that the individual who was taking the video was counting how many “joints” were in the video and asked another individual if he smoked weed. Based on my training experience, I know that marijuana is commonly referred to as weed and marijuana cigarettes are commonly referred to as joints. Marijuana is a Schedule I controlled substance. Smoking of any kind is prohibited in the U.S. Capitol. A screenshot from the Instagram post is below, Image 17.

Legally obtained subscriber information for a phone number ending in -2185—the same phone number linked to the Google Pay account referenced above—is subscribed to Stephanie

Hart at an address in Huber Heights, OH. Stephanie Hart is believed to be Timothy HART's wife. Payment information for the telephone account showed that the past approximately five payments had been made by Timothy HART. Pursuant to legal process, law enforcement has also learned that the person carrying the phone ending in -2185 was found to be in the area of the U.S. Capitol Building at a time between 13:00 and 18:30 on January 6, 2021.

Based on the foregoing, your affiant submits that there is probable cause to believe that Timothy Hart violated 18 U.S.C. § 1752(a)(1) and (2), which makes it a crime to (1) knowingly enter or remain in any restricted building or grounds without lawful authority to do; and (2) knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct in, or within such proximity to, any restricted building or grounds when, or so that, such conduct, in fact, impedes or disrupts the orderly conduct of Government business or official functions or attempts or conspires to do so. For purposes of Section 1752 of Title 18, a "restricted building" includes a posted, cordoned off, or otherwise restricted area of a building or grounds where the President or other person protected by the Secret Service, including the Vice President, is or will be temporarily visiting; or any building or grounds so restricted in conjunction with an event designated as a special event of national significance.

Your affiant submits there is also probable cause to believe that Timothy Hart violated 40 U.S.C. § 5104(e)(2)(D), which makes it a crime to willfully and knowingly (D) utter loud, threatening, or abusive language, or engage in disorderly or disruptive conduct, at any place in the Grounds or in any of the Capitol Buildings with the intent to impede, disrupt, or disturb the orderly conduct of a session of Congress or either House of Congress, or the orderly conduct in that building of a hearing before, or any deliberations of, a committee of Congress or either House of Congress; and (G) parade, demonstrate, or picket in any of the Capitol Buildings.

Your affiant submits there is probable cause to believe that HART violated 18 U.S.C. 231(a)(3), which makes it unlawful to commit or attempt to commit any act to obstruct, impede, or interfere with any fireman or law enforcement officer lawfully engaged in the lawful performance of his official duties incident to and during the commission of a civil disorder which in any way or degree obstructs, delays, or adversely affects commerce or the movement of any article or commodity in commerce or the conduct or performance of any federally protected function. For purposes of Section 231 of Title 18, a federally protected function means any function, operation, or action carried out, under the laws of the United States, by any department, agency, or instrumentality of the United States or by an officer or employee thereof. This includes the Joint Session of Congress where the Senate and House count Electoral College votes.

Finally, your affiant submits there is probable cause to believe that HART violated 18 U.S.C. § 1512(c)(2), which makes it a crime to obstruct, influence, or impede any official proceeding, or

attempt to do so. Under 18 U.S.C. § 1515, congressional proceedings are official proceedings.
