

STATEMENT OF FACTS

Your affiant, [REDACTED] is a Task Force Officer with the Federal Bureau of Investigation Philadelphia Field Office, Joint Terrorism Task Force. As a Task Force Officer, I am authorized by law or by a Government agency to engage in or supervise the prevention, detention, investigation, or prosecution of violations of Federal criminal laws. Currently, I am tasked with investigating criminal activity in and around the U.S. Capitol grounds on January 6, 2021.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification are allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, shortly after 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of

violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

On January 10, 2021, the FBI received a tip from Tipster 1 regarding EDWARD (EDDY) McALANIS (hereinafter McALANIS) being on Capitol grounds and inside the Capitol on January 6, 2021. Tipster 1 and McALANIS share mutual friends. Tipster 1 provided two photos that McALANIS sent to one or more of their mutual friends on Wednesday, January 6, 2021. One of the photos is of McALANIS outside the U.S. Capitol Building (depicted below on the left) and the other shows him posing with the Abraham Lincoln statue in the Statuary Hall of the U.S. Capitol Building (depicted below on the right). Photos 1 and 2.

On May 20, 2021, open source research identified a telephone number ending in -5407 associated with McALANIS.¹ According to records obtained through a search warrant served on AT&T, on January 6, 2021, in and around the time of the incident, the cellphone associated with the telephone number ending in -5407 was identified as having utilized a cell site consistent with providing service to a geographic area that included the interior of the United States Capitol building.

Records from AT&T confirm that the number ending in -5407 is subscribed by McALANIS and that he resides at an address in Stevens, Pennsylvania. Information obtained from the Pennsylvania Department of Transportation corroborated that this address was associated with McALANIS.

Records obtained from Facebook Inc. also confirm that the number ending in -5407 is the verified phone number for a Facebook account registered to McALANIS.

¹ The full phone number is known to law enforcement; however, only the last four digits are included within this public filing.

On July 6, 2021, at approximately 8:56 a.m. EDT, the FBI received a tip from Tipster 2 regarding EDWARD McALANIS and his reported involvement in civil unrest in Washington, D.C. Tipster 2 provided McALANIS' date of birth and address in Stevens, Pennsylvania. Tipster 2 advised that they are a family friend of McALANIS and his wife. Tipster 2 added that McALANIS provided information to family and friends that he broke into the U.S. Capitol Building on January 6, 2021. McALANIS also shared photos of himself being inside on the second floor of the Capitol on that date.

A review of images captured by Capitol Police CCTV on January 6, 2021 (Photos 3, 4 and 5) show a man who appears consistent with the appearance of McALANIS in the images from Tipster 1. This video footage includes footage in the area of the Rotunda inside the Capitol at approximately 3:00 p.m. EST. Moreover, the man captured in the below CCTV footage has the same blue sweatshirt with black outer vest, carrying a black and red backpack, consistent with the images submitted by Tipster 1.
