STATEMENT OF FACTS

Your affiant, [REDACTED] is a Task Force Officer assigned to FBI Cincinnati's Joint Terrorism Task Force. In my duties as a Task Force Officer, I investigate crimes of International and Domestic Terrorism. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Task Force Officer, I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of

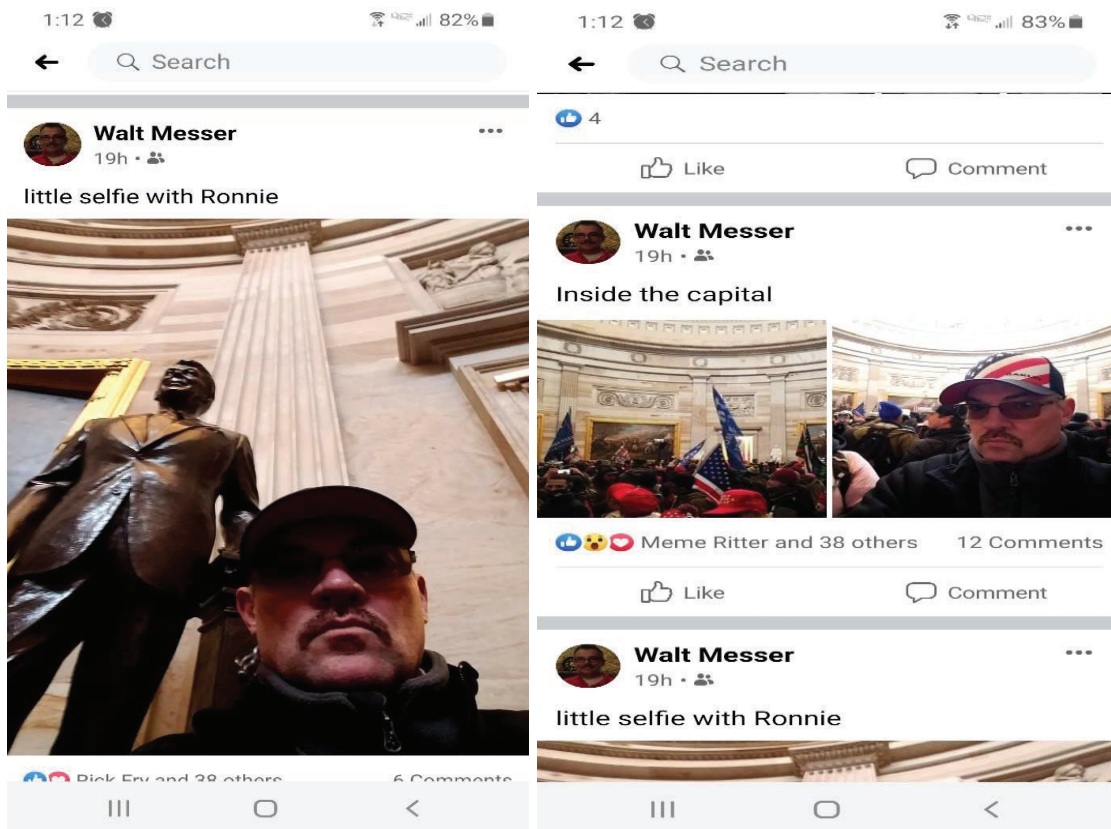

violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

On January 9, 2021, an anonymous tip was made to the FBI about three individuals being present at the U.S. Capitol on January 6, 2021 and who posted pictures on their Facebook pages and uploaded YouTube videos of their activities on that day. According to the tipster (“T1”), the individuals posted photos of themselves entering the building and being present inside the building. T1 identified one of the individuals as Walter Messer, age 50, of Piqua, Ohio. The other two individuals were identified as Therese Maurer Borgerding and her husband Richard Borgerding.

A Facebook page with the Facebook Account ID 100016499853552 was located with the vanity name “Walt Messer”. The Facebook Account ID is a unique identity number which cannot be changed by the user. The vanity name can be changed by the user. The url for the page was <https://facebook.com/walt.messer>. Your affiant compared the Facebook profile photograph for this account to the Ohio Driver’s License photograph of Walter J. Messer and confirmed they appear to be the same person. Additional review of the “Walt Messer” Facebook page showed a post related to the January 6, 2021 Riot, as well as comments by Messer and others about being at the U.S. Capitol.

A public post made by Messer on January 8, 2021 at 3:15 p.m. stated *“Joe Biden is claiming Trump supporters were taking selfies with the capital police. This is true. I’m glad the police took time out for these selfies during the fake riot”*. Several comments were made on this post by others and Walter Messer. A comment made by a Facebook account with the vanity name “Therese Maurer Borgerding” stated, *“Walt was there. You weren’t. You have NO story to tell. You might want to shut your mouth.. Another comment on the post by Therese Maurer Borgerding stated, “I know they helped me and were very friendly and held the door for us to come in the Capitol Building!”*.

On January 6, 2021 at 2:45 PM PST, Messer posted the below “selfie” to his public Facebook account that shows him inside the U.S. Capitol. In the photograph, Messer is wearing glasses and an Oakley ball cap that resembles the United States Flag. The background of the photograph depicts the rotunda of the U.S. Capitol. Messer posted another “selfie” to Facebook that shows Messer standing next to a statue of Ronald Reagan, who he appears to refer to as “Ronnie”.

Your affiant viewed multiple posts and comments on Messer’s public Facebook account related to the unrest at the U.S. Capitol. A photograph was posted on January 7, 2021, from the vantage point of the top of the U.S. Capitol steps on the Eastern side. An additional photograph from the vantage point of the top of the U.S. Capitol steps on the Eastern side was posted on January 7, 2021 at 1:55 p.m.. Both images depict the events of January 6, 2021, to include a large crowd with many individuals holding Trump signs and flags.

These videos are consistent with other known footage of unrest inside the U.S. Capitol to include known background identifying the location and a large group of individuals moving throughout the building. The videos were posted to the YouTube account on January 7, 2021. Your affiant compared the YouTube channel's profile photograph to the Ohio Driver's License photograph of Walter J. Messer and the "Walt Messer" Facebook account and confirmed that all photos appear to be on the same person.

Your affiant also reviewed surveillance footage from inside the United States Capitol on January 6, 2021 that shows Messer inside the Capitol Building after the Capitol had been breached. Messer is seen wearing the same clothing he is shown wearing in the Facebook images, and is seen walking with a cellular telephone in his hand.
