Case No. 1:17sw 733

SEARCH AND SEIZURE WARRANT

To: Any authorized law enforcement officer

An application by a federal law enforcement officer or an attorney for the government requests the search
of the following person or property located in the Western District of Virginia
(identify the person or describe the property to be searched and give its location):

The premises known as 1050 River Road in Stanley, VA, contains a 2-story weathered white single-family house with dark
shutters on the west side of River Road in Stanley, Virginia, approximately 900 feet south of the intersection of River and
Honeyville Roads. The front door of the house on the west side of the property is behind a porch lined with white,
weathered pillars. A gravel drive way leads into the property on the north side. There are three outbuildings on the property;
two open wooden structures on the east side, behind the residence, and a red wooden two-story structure on the north end.

I find that the affidavit(s), or any recorded testimony, establish probable cause to search and seize the person or property
described above, and that such search will reveal (identify the person or describe the property to be seized):
firearms, ammunition, body armor, military-style equipment, and explosive materials and their precursors

Unless delayed notice is authorized below, you must give a copy of the warrant and a receipt for the property taken to the

as required by law and promptly return this warrant and inventory to Theresa Carroll Buchanan
